## 21-Gun Salute for New Master Breeders

**Brantford, ON January 11, 2010**—Twenty-one Holstein breeders received a phone call informing them they were one of 21 new Master Breeders announced by Holstein Canada. Twelve of the honorees are from Ontario, six from Québec, and one each from British Columbia, Nova Scotia, and Prince Edward Island. Over 70% of the recipients are first-time shield winners.

Master Breeder is one of the most coveted awards in the dairy industry as it recognizes top dairy herds that reliably bred complete cows. Also, they have produced large amounts of quality milk displaying exceptional functional conformation related to longevity. Congratulations to our new Master Breeders!
