### MESSAGE TO ALL BREEDERS

#### Details:

- Managed by Holstein Quebec
- 15-20 lots (of approximately 4 embryos each) will be offered
- All from the best herds originating from one end of the country to the other. LPI, R&W, renowned families and show cows will be of the event
- Electronic bids starting April 5th
- All lots will be posted at the booth during the Convention
- Sales fee will be 400\$ per lot (whatever the final sales cost is)

"**an encouraging gesture towards future breeders**"

If you would like to be a consigner, please submit the lots and embryos that you are willing to donate for the draw to Stéphane Tardif, from Holstein Québec, at [tardif@holsteinquébec.com](mailto:tardif@holsteinquébec.com) before February 15, 2010. The sales committee will proceed to choosing the lots after this date.
