Holstein Canada Education Award Winners

Brantford, ON December 22, 2009 — Holstein Canada is pleased to announce the winners of the 2009 Education Awards. Each winner will receive a cheque for \$750. We were very impressed with the quality of applicants vying for this award. As a whole, applicants were highly active on the farm, both in terms of labor but also having responsibilities and input into management decisions. Their enthusiasm for agricultural and community youth activities was as clear as their drive towards a career in agriculture or future plans to manage their home farm. We would like to extend best wishes to all applicants!
